## Description

Halogen lamp under the code 61836047 (12v y 20w) will be replaced by led lamp 81455067 (220v y 1,5w).

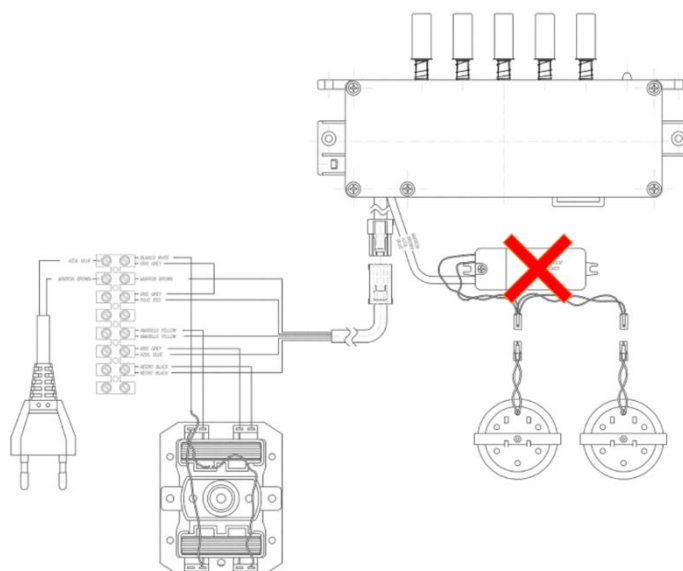

61836047

81455067

The led lamp is directly fed from the control panel, so the only modification needed to perform is to bridge the transformer.

**\*\* NOTE: It is necessary to replace all the lamps included into the cooker hood (even if they are not defective ones)**
